

EMAIL and SMS MARKETING for Events

Planning a party, stagershow, concert or festival event?

Managing the proper delivery of communications to multiple people and organizations can be challenging.

That's where **Dutchpot Mailcast** and **DutchpotSMS** come in. We help event planners such as you focus on the tasks at hand, and not the underlying technology to help do them.

With our email marketing and text messaging services, you'll be able to do the following:

- Reach various audiences quickly and efficiently by setting up multiple lists - from attendees to exhibitors and speakers
- and send out specific messages for each.
- Alert speakers and staff of any last-minute changes, via email, text message or voice, in a matter of seconds.

DutchpotSMS and Dutchpot Mailcast has multiple plans to fit any size event, from small company events to massive industry conferences.
